

FIXED CANOPY METAL AWNINGS

Fixed Canopy Steel Awnings provide an attractive low-cost solution to the damage caused by Australia's harsh climate. Produced from multi-rib cross-section Tru-steel panels, its rigid strength will provide greater wind resistance and protection against hail and storm damage.

Suitable for both domestic and commercial applications, Fixed Canopy Steel Awnings are available with either self supporting arms or post supports.

Features & Benefits

- **Extensive colour range:** With our large range of Colorbond colours to choose from and the ability to mix and match panels, you can create a unique look for your home.
- **Durable components:** Powdercoated components and Tru-steel panels ensure a robust and long lasting awning.
- **Long lasting and low maintenance:** Ideal to protect entry ways or patios from the elements.
- **Two types of side styles:** Available with standard straight side trim panel or decorative scalloped closed sides.
