Venetian Blinds feature a versatile style that can suit both contemporary and traditional architecture.

The insulation properties of Venetians help your home to remain cool in summer and warm in winter. Venetian Blinds combine versatility of privacy, temperature and light control with a low maintenance, easy clean and easy to operate product. With 50mm and 63mm blade sizes you can have the look and function of shutters for an economical price.

Venetians Blinds are available in PVC & PS material which is ideal for wet areas such as bathrooms, kitchens and laundries, yet also a stunning addition to living areas and bedrooms. Each blind is manufactured to suit your needs and budget. To complete the look, the Venetians are finished headrails and colour coordinated ladderbraid & cords (to the slats).

There is nothing quite as captivating as windows and doors dressed with Venetians Blinds!
