

# Vertical Blinds by FHA Wholesale

## PRACTICAL & SUITABLE FOR MOST WINDOWS AND DOOR OPENINGS

### Features & Benefits

- **Durable fabrics:** Many of the fabrics we use are manufactured in Australia to suit local conditions.
- **Available track systems:**
  - **'Elite':** an aluminium track with either cord or wand operation and an optional decorative fabric insert. 4 decorative colours available.
  - **'Nu-track':** a wand operated steel track & peg carriers.
- **Blade sizes:** 127mm and 89mm
- **Pelmet:** Choose from a simple fabric insert in the front of the track or pelmet to conceal the track.
- **Bottom weights:** We offer you a choice of weights with or without link chain or sewn-in weights without link chain.
- **Removable blades:** You can change the colours of your blades to give your home a new look simply and easily, whenever the mood takes you.

The most versatile blind in the market today, Vertical Blinds are suitable for almost all window and door openings. Highly adaptable, they can be used in casual or formal areas and are an affordable option for raked windows.

Vertical Blinds come with easy-to-use cord or wand controls that rotate the slats through 180° giving absolute control over light, heat and the desired level of privacy.

With a vast range of fabrics ranging in colours, patterns, plains, translucent or blackout fabrics

With a vast range of colours, patterns, plains, translucent or blackout fabrics, Vertical Blinds will provide you with a beautiful blind that will compliment any décor.

Our Serenade PVC Vertical Blinds are available in a range of 7 colours, including wood-tone Palamino. The 89mm PVC blades have no bottom weights, are easy to clean, great for kitchens and bathrooms and can easily be replaced for an updated interior.
