

Roller Blinds by FHA Wholesale

EASY TO USE. IDEAL FOR MODERN OR TRADITIONAL HOME

Features & Benefits

- **Blockout, light filter & sunscreen fabric:** Set the tone of the room with colour, mood & light control.
 - **Aluminium roller tube:** Quality roller tube and componentry to provide you with the most up-to-date and reliable roller system.
 - **Chain operation:** For chain operated roller blinds, you have the choice of stainless steel chain or PVC (*Black, Grey, Beige or White*).
-
- **Optional Extras**
 - **Rollette™ valance:** Our exclusive Rollette™ valance offers you a streamlined finish for Roller Blinds.
 - **Cassette headbox:** Fitted onto the face or recess of the window. The blind can be obscured right up to the top or adjusted to stop in any position.

Roller Blinds are a practical and affordable window covering designed to enhance the mood you have created in your home. With an impressive range of colours and styles to choose from, Roller Blinds can make a bold fashion statement or blend unobtrusively in any room.

Our Roller Blinds can be made to use traditional spring operation or easy-to-use chain drive mechanism. For the ultimate in modern living; Roller Blinds can be linked together or motorised for remote control, switch or timer controls.

Custom-made to your needs and finished with colour coordinated accessories, create the look you want with a selection of fabrics, including: Australian-made fabrics that have plains, jacquards, textures and pattern prints incorporating your choice of stylish trims or ring pulls (on certain fabrics). Combo rollers allow you the luxury of sunscreen by day and privacy by night.

Rollette™ valance
